

## DIRECTIONS TO EBS RECRUITING

Executive Business Solutions (EBS) is located within CityPlace One in Creve Coeur, Missouri. Situated along the I-270 corridor, the CityPlace complex is just east of I-270 and on the north side of Olive Boulevard. When coming from I-270, exit at Olive Boulevard and proceed east. Turn north onto CityPlace Drive and proceed through two stop signs. CityPlace One will be on the right side of the road just before the lake. Visitors should enter through the front of the building (next to Visitor Parking) via the revolving doors. Once inside the lobby, veer left down the long hallway and EBS is located at the very end in Suite 190.

## PARKING

A designated visitor parking lot is located after the second stop sign on CityPlace Drive and is next to the front entrance of CityPlace One. There is also additional guest parking within the CityPlace 1&3 West Parking Garages. To access these garages, make a left turn at the third stop sign. Once you've parked your vehicle, you will want to take the elevator to the first floor and use the crosswalk to the front of the building.
